Strain Bio: Belushi's Farm Obama Runtz strain is best known for its iconic lineage, an amalgamation of some of the best cannabis genetics to date. Fans of Obama Runtz claim an instant cerebral high followed by an all over body high that lifts your spirits, melts your pain, and gives you some of the best sleep you've ever encountered. While some strains have you very aware of that infamous 'couch-lock' feel that has become synonymous with indica strains, Obama Runtz is said to be so smooth in its delivery that it doesn't cross your mind that your body is completely 'couch-calm'. Obama Runtz is ideal for a cozy night in, but feel free to check in with The President whenever convenient.
