

BELUSHI'S FARM

Lemon Melons

Strain: Lemon Melons

Type: Hybrid

Genetics: Banana x Watermelon Zkittlez

Aroma: Fruity, Sweet, Lemon, Watermelon

Effects: Relaxed, Euphoric, Calm, Peaceful

Great for: Depression, Anxiety, Chronic Pain

Strain Bio: Belushi's Farm Lemon Melons is known for its ability to alleviate stress and boost mood, making it a favorite for unwinding and socializing. It is often used when dealing with symptoms associated with anxiety, depression, and chronic pain. Its balanced sativa and indica genetics offer therapeutic relief without drowsiness. Fans of Belushi's Farm Lemon Melons prefer it over any other strain for treating pain while also checking off tasks from their to-do list. It's been said that this hybrid encourages some to power through their day, allowing them to deal with most social situations without a hindrance from anxiety.
