Effects: Euphoric, Uplifted, Relaxed

Great for: Chronic Pain, Nausea, Depression, Insomnia, Chronic Stress

Strain Bio: Belushi's Farm Grape Gas is a true hybrid.

This well-balanced strain is ideal for various activities, from unwinding after a long day to convening with friends, this strain is notable for its ability to fit in most any situation. Fans of Grape Gas have claimed that it allows them to focus and generates a creative mindset, preparing them for any creative task at hand. Though it has been said that Grape Gas is great for pain, it should be noted that users have said that it does not overly sedate, allowing you to get on with your day. Be sure to go slow with Grape Gas, as this potent strain can be strong for lightweights.
